### HOW TO PROVIDE THE DEATH DUTIES.

**THE MOST EFFECTIVE PLAN**—The Finance Acts impose heavy burdens on all those owning Real or Personal Estate, if over £100 in value. To prevent possible loss by a forced sale of part of the property at the death of the owner, the most effective plan is to take out a Policy of Life Assurance for an amount sufficient to cover the Duty payable. The Company issues Policies for this purpose at exceptionally low premiums.

**PAYMENT BEFORE CONFIRMATION HAS BEEN TAKEN OUT.**—The Policy will, if desired, provide that the Duty may be paid direct to the Inland Revenue Authorities before Probate or Confirmation has been taken out. This course is a very great help to Executors. Stocks and Shares cannot be sold by Executors until a Grant of Representation has been obtained. This Grant can only be got after the Duties have been paid.

**SAVING IN INCOME TAX.**—An additional advantage of a Policy is that an abatement of Income Tax is allowed in respect of Life Assurance Premiums (up to one-sixth of Income).

*Full particulars will be forwarded on application to any of the Company's Offices.*

IN issuing the Glasgow Post-Office Directory for 1913-1914, the Publishers beg to express their thanks for the liberal patronage bestowed on the work during the long period of Eighty-five years, and desire to state that as formerly no effort has been spared to render it as accurate and complete as possible. They, however, do not hold themselves responsible for any error or omission.

A Map of the Environs of Glasgow will be found at the beginning of the book. The Almanac, Tide Tables, Banks, &c., Statistics of the Population of the City and Suburbs, the Parliamentary and Municipal Voters for 1912-1913, with the Parliamentary Divisions of the City and Members of Parliament, also a description of the revised Municipal Wards, will be found in their former positions. To these have been added a list of the Conveners and Secretaries of the various Ward Committees. In the Streets Directory (pages 723 to 1042) the number affixed to the name of each street indicates the Municipal Ward in which such street is situated for electoral purposes. The numbers have been corrected in accordance with the new arrangement of the city wards. At pages 24 to 57 an Alphabetical List of Streets is given; as a handy guide to their situation the capital and small letters prefixed to each Street indicate its position on the Map, and the number affixed its registration district. The large Map, revised and brought up to date by Messrs. J. Bartholomew & Co., Edinburgh, is placed at the end of the Directory.

The various Suburban Districts around the City are given, as formerly, revised and corrected. The Burghs of Govan and Partick are incorporated with the General Directory.

In the Appendix will be found useful details regarding various Institutions and Public Offices in the City and Suburbs.

The printing has been done by Messrs. Aird & Coghill, Ltd., 24 Douglas Street, and the binding by Messrs. Gowans & Gray, Ltd., 58 Cadogan Street.

All communications on Directory business should be addressed to the Editor Post Office Directory, 207 Ingram Street, Glasgow.
